# CONNECT. SHARE. SUPPORT.

A Regional Meeting for People Living with aHUS

## NORD

National Organization for Rare Disorders

The National Organization for Rare Disorders invites patients and caregivers/families affected by Atypical Hemolytic Uremic Syndrome (aHUS) to participate in a special event to meet other patients and speak with a medical expert.

This meeting will provide an opportunity for you to come together in a small group, and gain the encouragement and hope that comes from meeting face-to-face with other aHUS patients.

Everyone will be able to share personal experiences with each other, gain a better understanding of this rare disease, and help others cope with the effects of their illness.

NORD will support the efforts of the aHUS community by sharing accurate and useful information, and will explore ideas for future assistance.

DEDICATED TO  
HELPING PEOPLE  
WITH  
RARE DISEASES

**Friday, February 22nd - Reception 7PM-9PM**

**Saturday, February 23rd**
